Forum Invest ENERGY 2011

Editia a 6-a/ 22-24 noiembrie/ Athenee Palace Hilton / Bucuresti

Forum Invest, in cooperare cu [Comitetul National Roman al Consiliului Mondial al Energiei](#), cu suportul special al Federatiei Patronale ENERGETICA si al Asociatiei Producatorilor de Energie Electrica din Romania au onoarea sa va invite la cea de-a 6-a editie a **Forum Invest ENERGY: „Provocarile Sectorului Energetic sud-est european”** - cel mai asteptat eveniment international de energie din Sud-Estul Europei.

Forum Invest ENERGY 2011 va avea loc in perioada 22-24 Noiembrie la Athenee Palace Hilton din Bucuresti si pune accent pe tendintele globale ale pietelor energetice si impactul acestora asupra economiilor, politicilor europene, dar si pe strategiile de finantare a sectorului energetic. Personalitati de prestigiu precum **Reinhard Mitschek** – Directorul Executiv al Consorțiului Nabucco si **Teodor Baconschi** – Ministru al Afacerilor Externe al Romaniei se numara printre vorbitorii la eveniment.

Acest eveniment international este cea mai complexa platforma de comunicare, schimb de informatii si expertiza între experți și oficiali internationali din domeniul energiei. La fiecare editie a Forum Invest ENERGY participa peste 250 de reprezentanți de top ai industriei - oameni de afaceri, autorități locale și centrale, analisti ai pietei, experti si jurnalisti romani si internationali.

Forum Invest ENERGY 2011
6th edition/ November 22-24/ Athenee Palace Hilton / Bucharest

Forum Invest, in cooperation with the Romanian Committee of the World Energy Council, with the special support of Employers Federation ENERGETICA and of the Association of Electricity Suppliers in Romania are honored to invite you at the 6th edition of **Forum Invest ENERGY: "ENERGY CHALLENGES IN SOUTH – EASTERN EUROPE"** - the outmost international reunion in Southeast Europe of the major players on the energy market.

The event will take place between November 22-24 at the Athenee Palace Hilton in Bucharest and will revolve mainly around the global trends in the energy sector and their impact on the economy, European energy policies and financing strategies for the energy sector. Prestigious speakers line-up include up to now **Reinhard Mitschek**, Managing Director of the NABUCCO Gas Pipeline International GmbH and **Teodor Baconschi**, Minister of Foreign Affairs with the Government of Romania.

This international event serves as an invaluable opportunity for exchange between experts and top level officials worldwide to explore the regional and global awareness of the Energy Community. We welcome representatives from industry, local and central government, and academic membership to join this critical debate.
